We accept credit and debit cards for online registrations.
3. All program fees must be paid in full upon registration.

Scarborough Community Services Policies

Non-Resident Fee

Non-residents may register for our programs. An additional \$15 fee will be assessed for most programs. However, some programs may require additional fees. Please see each program for more information.

Check Writing Policy

- Please make checks payable to *Town of Scarborough*.
- Must show valid photo ID.
- Personal checks must show name, current address, and telephone number.
- Starter checks cannot be accepted.

Refund Policies

ALL PROGRAMS (EXCLUDING 55+ -- SEE BELOW)

- **No refunds:** If an individual does not attend the activity or does not cancel at least 7 calendar days prior to the start of an activity.
- **\$15 processing fee:** For any cancellation or change made by applicant.
- **100% refund:** If Community Services cancels the activity.

HEALTH REASONS

If a participant cannot participate due to medical reasons, a refund will be given if a signed doctor's note is presented to the Community Services staff within the first 48 hours of said injury. If injury occurs and is reported with a doctor's note before the activity begins, no processing fee will be assessed.

If applicant attended some classes, the refund will be prorated for the number of days the injured participant attended the program. In this case, a \$15 processing fee will be assessed and deducted from the refund.

MULTIPLE-SESSION PROGRAMS

If your child is indecisive about a multiple-session program, we recommend registering for individual sessions versus the entire program. When registering for multiple sessions at once, please keep in mind that combined session dates are all inclusive; therefore, should you choose to cancel once the first session begins, no refund will be given for the remaining sessions.

55+ PROGRAMS

- **No refunds:**
 - Wednesday Lunches:** If an individual does not attend a lunch or does not cancel by Monday at 2:00 pm, the household will be charged and the balance must be paid in full in order to enroll in future programs.
 - Transportation:** Beginning January 2012, if a participant does not use the service or does not cancel 24 hours prior to the scheduled service, the household will be charged and the balance must be paid in full in order to enroll in future programs.
 - Trips:** If participant cancels a trip, no refund will be issued.
- **100% refund:** If Community Services cancels the activity/trip.

Sibling Discount Policy^{SD}

Look for ^{SD} next to activities that may be discounted.

Youth Recreation Programs

Families with three or more children registering for the same Community Services-run recreation program may receive a 10% discount off the third child and any additional children from the same family. This discount will be taken off the lowest program fee. All participants must be registered at the same time to receive this discount. If one sibling cancels from a program, any refund will be given for the discounted amount paid only. Additional fees may apply; please refer to our refund policy on this page.

NOTE: Sibling discounts will not be applied for online registrations. To receive this discount, you must register in the Community Services Office.

Child Care

Families with two or more children registered for full-time (5 days per week) before-school or after-school care will receive 10% off the second and/or subsequent child care fees. Discount will be taken off of the lowest child care fee.

Early Registration Discount

Community Services works hard to offer the best prices available for our programs. Because our work becomes labor-intensive the week prior to a program start date, we like to encourage residents to register early by offering early discount prices on certain programs. We hope people will appreciate this and take advantage of these prices. *However, this discount incentive is a special offer which cannot be extended if those dates have passed. No exceptions.*

Late Registrations

Some programs may be adversely affected each year due to participants waiting until the last minute to register. There is a point when a program must be cancelled or modified if there are insufficient registrations. All programs require a high level of coordination which includes facility scheduling, staffing, volunteer recruitment, team formation, and the purchasing of supplies. You will notice that the majority of our programs have registration deadlines. If there is room in a given activity after a deadline has passed, late registrations will be accepted with an additional \$10 late fee assessed; however, children may not be guaranteed a T-shirt, ball, etc.

Youth Team Request Policy

Community Services understands that one of the best aspects of participating in our programs is the ability to play with friends or have the same coach year after year. However, in an attempt to keep teams balanced, we have instituted the following policy.

In programs such as basketball, fall soccer, and indoor soccer, coach and player requests will be limited to **two requests per participant**. You may request one coach and one player, or you may request two players. Timely registrations allow Community Services the opportunity to balance teams in a fair manner; timely requests also help in this process. However, there are many variables that go into the planning process and, even though we do our best, we cannot guarantee that your choice will be honored.

Changes Due to the New Wentworth School Construction

Summer 2012

Child Care Administrative Office Locations

Grades K to 5: Office will be located at Wentworth School.

Grades 6 to 9: Office will be located at Middle School.

Community Services Office in the Municipal Building is open Monday through Friday from 8:00 am to 4:00 pm for all Child Care questions.

Limited Interim Care

Due to the relocation of child care to the Wentworth School and Narragansett, there will be no interim care available the week before summer day camp begins (June 18 through 22).

No Pre-School Summer Day Camp

Summer day camp for pre-school children will not be offered due to space limitations; summer day camp will be offered for children entering Grades K through 9.

Check-In/Check-Out Locations

Grades K to 5: Campers and parents must check in and check out daily in the temporary Summer Day Camp Office located in the Wentworth Building (accessible through the large double doors across from Wentworth playground area).

Grades 6 to 9: Campers and parents must check in daily in the Middle School Cafeteria and check out daily (anytime after 4:30 pm) in the temporary Summer Day Camp Office located in the Wentworth Building (accessible through the large double doors across from Wentworth playground area).

Please Note: **Both locations for summer day camp are subject to change at any time.**

Parent/Guardian Parking

Wentworth: Parents may park in the staff parking lot accessible from Quentin Drive (road to the Middle School). Check-In/Check-Out parking spots will be set aside for parents' convenience. Parents volunteering on trips may park in this same lot if spots are available. Overflow parking will be available by the Passamaquoddy Building at the Middle School and the outdoor basketball courts by the library.

Middle School: Parents will have access to the bus loop, the parent drop-off loop, and the Passamaquoddy Building parking lot to the left of the Middle School Building. Parents volunteering on trips must park in the lot located near the Passamaquoddy Building.

Youth Programs

Most of our summer youth programs are held outdoors and will run rain or shine. While we do our best to provide rain shelter for these programs, we cannot guarantee this space will be indoors, like a gym or cafeteria.

Fall 2012

Child Care Administrative Office Location

Child care administrative offices will be located in the Scarborough Middle School Narragansett Building during the duration of the new Wentworth Building project. Telephone number remains the same at 730-4170.

No Bessworth Beginners Pre-School Program

Due to the construction of the new Wentworth School and consequent relocation of Bessworth, the Bessworth Beginners Pre-School program will no longer be offered past June 2012.

Grades 3 to 5 Child Care

Grades 3 to 5 before-school and after-school child care will be held in the Wentworth Building beginning fall 2012. Parents may use the bus circle across from the turf field to park while picking up or dropping off. Parking and child care locations are both subject to change at any point during the construction phase.

Snow Days, Teacher Days, Vacation Camps

Snow days, teacher workshop days, and vacation experience camps will be held in the Middle School cafeteria and Narragansett Building at the Middle School.

Date Nights for Parents Suspended

Due to space limitations, we will not be able to offer Date Nights for Parents during the construction of the new Wentworth School.

SUMMER READING IS FUN!

Grades K to 5 groups will have 20 minutes of regularly scheduled reading time daily. Counselors may read aloud to their groups. Campers are encouraged to bring books or magazines of interest from home. Campers may use this time toward their summer reading goals. We are also encouraging parents to register their children for the Scarborough Public Library's Summer Read Game. Make sure to send your child's library card as groups will be visiting the library on a weekly basis.

FIELD TRIP SUPERVISION

Community Services continues to do its part to ensure every child's safety while at camp. Every camper in Kindergarten to Grade 5 who participates in any of our scheduled field trips while at day camp will be supervised in a small group. A summer recreation counselor or volunteer will accompany each group. Campers in Grades 6 to 9 will be placed in small groups and will have required check-in times throughout scheduled trips. Certain trips may require campers in Grades 6 to 9 to be assigned to a supervised group.

TRIP VOLUNTEERS

Community Services frequently uses volunteers to help with scheduled field trips. Volunteers are responsible for supervising an assigned group of campers while on the field trip. Please note that while parents and/or guardians are encouraged to volunteer there are a limited number of spaces available for each trip. Volunteers are accepted on a first-come, first-served basis until all spots are filled. If the maximum number of volunteers is reached and there is still space available on the bus, parents still wishing to attend the field trip and ride the bus may do so but will be responsible for their own admission fees.

If you are interested in volunteering for any of our field trips, you must contact a Community Services Summer Rec Coordinator in advance so the appropriate paperwork can be completed. For more information, please contact Scarborough Community Services at 730-4170 or 730-4150.

FRIDAY FIELD TRIPS OPEN TO ALL!

Not registered for Summer Day Camp but want to attend one (or all) of our Friday field trips? Children entering Grades K to 9 may register for any of our eight scheduled Friday field trips. Details for trips, including times and fees, will be available no later than Friday, May 4, 2012. Pre-registration and payment are required. Community Services supervision and transportation are included. Call 730-4170 for more information.

* SNACKS AND LUNCHES

Refrigerator and microwaves are not available for use by campers so please send snack and lunch packed accordingly. Breakfast, lunch, and/or snacks may be purchased through the Scarborough School Nutrition Program. *Please see above for more information.*

** SUNSCREEN AND INSECT REPELLANT

Parents **must apply sunscreen and/or insect repellent before** dropping their child off at camp. In order for counselors and administrators to re-apply such products to campers throughout the day, the State of Maine requires consent upon registration. Sunscreen and insect repellent must be given directly to your child's camp counselor.

Fall Soccer SD

Grades Pre-K to 8

We will kick off Fall Soccer 2012 on August 25 at the Clifford Mitchell Sports Complex. At the Kick-Off players will meet their coaches and teammates, receive their team shirt, have their picture taken, and learn basic soccer skills. Games will begin Saturday, September 8, and run for six weeks through October 13, with one practice during the week for each team (determined by the coach at the coaches meeting). We will accept registrations as long as there is room on a team in the appropriate division. *Shin guards are mandatory and mouth guards are highly recommended. Pre-school children must be four by October 15, 2012, in order to participate.*

Changes in 2012

- Divisions are now named after grade levels -- please be sure to register your child or children in the grade they will be entering in the 2012-2013 school year.
- Community Services will no longer be able to accept special team requests past August 10, 2012. Children who register beyond this date will be placed on the team with the fewest players in their appropriate division. We will be unable to make any exceptions.
- Players may request to be with two players or one player and one coach. We do not accept requests for practice days, game times, or T-shirt color. While we do our best, we cannot guarantee that your requests will be honored.

PLEASE NOTE CHANGES -- Bessworth Beginners Pre-School Program

Due to the construction of the new Wentworth School and consequent relocation of Bessworth, the Bessworth Beginners Pre-School program will no longer be offered past June 2012.

School Age Care -- Grades K to 5

The School Age Child Care program is designed to provide children in kindergarten through fifth grade a safe and exciting place to be during their out-of-school hours. Our state-licensed program currently has an enrollment of over 300 students.

The goal of the program is to promote the physical, mental, social, and emotional development of each child by providing high-quality child care. Activities include outside play or indoor physical activity, crafts, science, cooking, special projects, clubs, and quiet times. A nutritious snack is provided daily. We view the home, school, community, and child care settings as complementary and interrelated domains that affect children's growth and development. We keep open lines of communication among all of these groups.

PLEASE NOTE: Limited spaces available for Grades 3 to 5 child care due to the location change.

Club Teen -- Grades 6 to 8

The Club Teen program provides an opportunity for those in Grades 6 through 8 to work on their homework, gives them the chance to be with their peers after school, and provides the opportunity to play age-related games and activities. An organized activity is offered every day. Club Teen is located in the Middle School Cafeteria (occasionally in the Applied Humanities Room or Narragansett Building). *We must have a minimum enrollment of 20 students in order for this program to run.*

Dragonflies and Dunks

Option 1 -- Dragonfly Nymphs

Nymphs eat mosquito larvae before the mosquitoes hatch. As adults, they catch mosquitoes on the fly. They do not sting or bite humans.

How are Nymphs placed?

Nymphs arrive in plastic containers with dampened paper. They should be placed at the water's edge in shallow, free-standing water where mosquitoes breed (areas where peepers can be heard or where cattails grow). Waters should be free of fish habitation as they will eat nymphs. 100 nymphs will cover approximately 1 to 2 acres.

Please Note:

Nymphs are live and perishable and must be picked up and dispersed immediately. They will not survive in a hot car. No refunds for orders that are not picked up.

Option 2 -- Mosquito Dunks

Dunks are small donut-shaped tablets. They have proven effective since their introduction in 1983. Dunks are made with B.T.I., a natural organic ingredient, which kills mosquitoes and black fly larvae feeding on it. They contain no poisonous chemicals and are harmless to other living things. They can be used during April, May, and June breeding.

How are Dunks placed?

Dunks are placed one per 100 square feet of water surface. They may be broken into portions for small amounts of standing water such as bird baths, auto tires, rain barrels, ponds, ditches, flower pots, roof gutters - wherever water collects. A string may be used through the center hole to anchor them in place. They are effective for 30 days or more and will reactivate after a rain if the area becomes dry. Order enough to repeat treatment throughout mosquito season.

West Nile Virus is a potentially serious illness. Most often it is spread by the bite of an infected mosquito. Mosquitoes become infected with WNV when they feed on infected birds. People over age 50 have a higher risk of becoming severely ill if they get infected. For more information, please visit www.cdc.gov/westnile.

What does Community Services use sponsorship money and donations for?

When businesses provide monetary donations, it is deposited into our Special Events account which is used to fund free family-friendly events throughout the year. When businesses donate items, such as gift certificates, services, tickets, coupons for free food or activities, gift baskets, or gift items, we offer these as prizes through raffles or silent auctions. This enables Community Services to generate money for future activities and events throughout the year.

How can the community help?

Local businesses, organizations, families, and individuals are welcome to donate items or time throughout the year to Community Services. We accept help from volunteers at all of our events (as needed) and we are always looking for gift certificates in small amounts, candy, coupons for free food or activities, and small trinkets (pencils, stickers, toys). These items are given out to children as prizes at some of our yearly events.

If you are interested in donating to Community Services and our special events, please contact us at 730-4150.
